

## Gen Con Indy 2015

### Ares Games to release Jolly Roger, the new Galaxy Defenders expansions and Co-Mix

*The Italian game publisher will also present previews of the upcoming Odyssey and WW1 Wings of Glory giant bombers, and promote several events throughout the show for Wings of Glory, Sails of Glory, and War of the Ring lines*

Ares Games will be at **Gen Con Indy 2015** (Booth #449, July 30-August 2, Indianapolis) with a 500 square foot booth, where visitors will be able to try new games releasing at the show – the card game **Jolly Roger**, the new **Galaxy Defenders** expansions **Operation Strikeback!** and **Extinction Protocol**, and the storytelling game **Co-Mix**. These new games will be playable and available for sale.

Ares' booth will also hold previews of the upcoming releases **Odyssey – Wrath of Poseidon** and the **WW1 Wings of Glory** “Giants of the Sky” bombers, **Handley-Page O/400** and **Zeppelin Staaken R.VI**

Visitors will be able to play demo games, and exclusive convention prices will be offered. One of the special promotions for **WW1 Wings of Glory** is a combo of a Fokker Dr.I and a Sopwith Camel Airplane Packs with the special figure **Snoopy the Flying Ace** for \$ 25. Snoopy the Flying Ace, produced by Running Press Book Publishers, commemorates Snoopy in his iconic role as the Flying Ace, a daring World War I fighter pilot who sits atop his Sopwith Camel (i.e. doghouse), ever determined to take down his arch nemesis, the Red Baron.

Several events are planned for **WW1 and WW2 Wings of Glory**, **Sails of Glory** and **War of the Ring** lines, including two attempts to break the existing player records for **WW1 Wings of Glory** and **Sails of Glory**.

The current world record for the largest **WW1 Wings of Glory** game is 100 players in the same game, set in September 2013, in Florence, Italy. At Gen Con 2015, the attempt to set a new record will be on July 31st, at 10:00 AM. The cost to participate to this event is \$12 and includes an airplane to play.

For **Sails of Glory**, the record for most players in a game is 50 players at the GenCon 2014. One year later, it's time to establish a new world record. The attempt is scheduled to July 31st, at 12:00 AM, and the cost (\$14) includes a ship to use in the event.

#### New games releasing at the show

At Gen Con 2015, Ares releases its first card game: **Jolly Roger – The game of Piracy & Mutiny**. Fun, rowdy, fast, and easy to learn, the game can be played with 4 to 10 players. Players are the crew of a pirate ship, ready to do anything to collect the highest amount of gold and become the richest pirate in Tortuga!

The new expansions for *Galaxy Defenders*, **Operation Strikeback!** and **Extinction Protocol**, also debut at the show. In *Operation Strikeback*, the Agency launches a strike against the Invaders' base on the Moon, with the help of new, genetically modified agents to face new the alien menace. In *Extinction Protocol*, it's time for the final assault on the Alien home planet, with Agents equipped with a new generation of weapons and wearing awesome Power Armor, to fight the deadly perils and the worst enemy they have ever faced.

The third new game Ares Games brings at Gen Con is the storytelling game **Co-Mix**. A limited number of first edition copies will be available for sale - the game will be in full distribution in October, when Ares Games' edition will be available. In *Co-Mix*, up to 10 players craft their stories by laying out several cards to create a full blown comic book page, playing individually or in teams. Each player chooses the kind of story to tell – noir, horror, adventure, romance, and if it will be funny, scary, exciting, or moving. All players must create the story based on the same title - the best stories are voted by the other players.

Ares will also present a new preview version of **Odyssey - Wrath of Poseidon**, a deduction game for two to five players, expected to debut in October. The war is over, and the Greek ships are trying to sail back to their homeland after a long absence. They need to reach the Sacred Island to make offerings and prayers to the gods, but the irascible Poseidon will use all his powers to prevent them from getting there.
